Onetouch. Two roles.

Neat Pad is a simple and elegant touch screen that you can configure as a Zoom Rooms controller for any Zoom Room or as a scheduling display for any meeting room. With its sleek design, including ideal screen angle for smooth interaction and viewing, NeatPad is purpose-built for meeting rooms and beautifully blends in anywhere, whether placed on a table, wall or elsewhere. It's always powered up and ready for you to leap into action delivering twice the elegance.

Simple set-up.

Neat Pad ships with a wall and side mount, so it's easy for anyone to install and set up. Use the wall mount to fix Neat Pad to your meeting room wall as a controller or outside your meeting room as a scheduling display. With the side mount, you can secure Neat Pad to the edge of your door frame or mullion. Thanks to just one Power over Ethernet cable, Neat Pad is always alert and set to go.

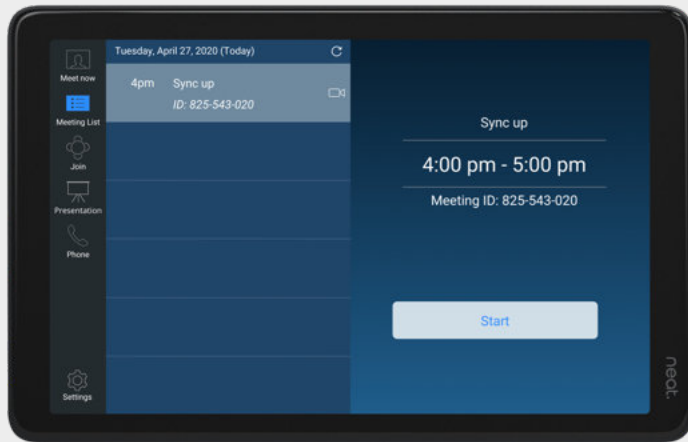

Just works.

Neat Pad's controller function has two built-in microphones and once enabled with an upcoming software release, will offer enhanced audio pickup to support even larger meeting rooms or when facing away from the screen. While Neat Pad's scheduling function displays all events booked in the meeting room, with red and green side LED indicators showing the availability of the room at any given time.

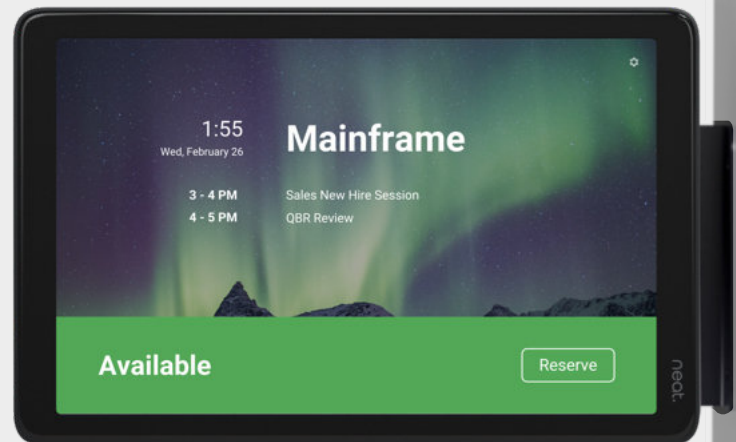

Managed & Supported by Zoom.

Neat removes complexities and threats with our secure, single-purpose hardware devices. Our upcoming software Update will empower you to upgrade everything from your Zoom account with just one click. Neat Pad's built-in environmental sensors will also soon provide valuable insights directly to the Zoom portal, providing additional ways to monitor your meeting spaces. Plus, Zoom is your single point of contact for support.

Tap "Start" for a seamless joining experience from any Zoom Room.

Add a scheduler to show meeting events from outside any meeting room.

Zoom Rooms the Neat way.

The Neat Bar is a purpose-built device for Zoom and ships with our dedicated Neat Pad controller. There is no PC required, so say goodbye to Windows and iOS updates on Monday morning. Add an optional second Neat Pad to your purchase and configure it as a scheduler to take your conference room mojo up a notch.

Simple set-up.

Everything you need is in the box, and we mean everything. The Neat Bar base package includes a Neat Pad controller and setup is a snap with the guided Installation that runs on the Neat Pad, making install simply neat. Here's what customers are saying:

"Incredibly painless software installation, very intuitive interface."

"My first impression is fantastic; the installers are really impressed too. Everything has a premium feel about it."

Just works.

The Neat Bar is a compact and capable meeting device designed and engineered specifically for Zoom. Working directly with Zoom, we designed a device for the meeting room that makes joining a Zoom meeting as easy as it is on your computer. Scheduled meetings can be joined directly and simply by users with a single-click on the Neat Pad.

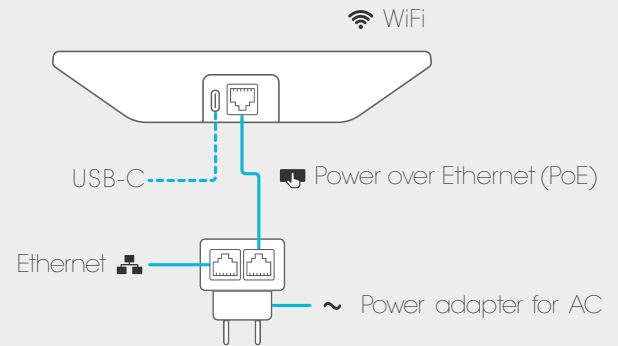

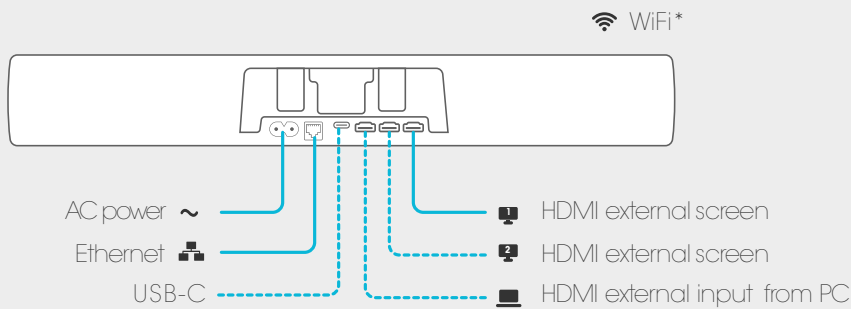

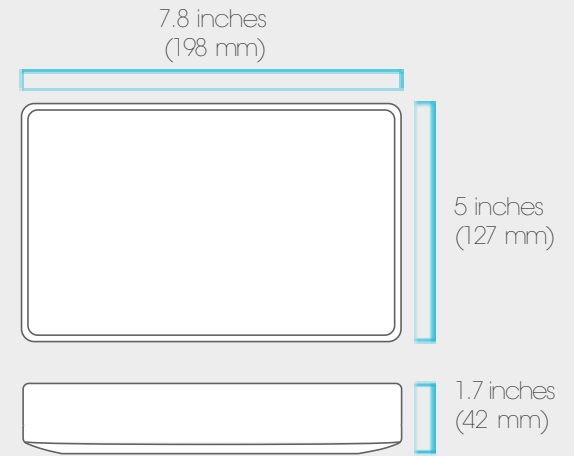

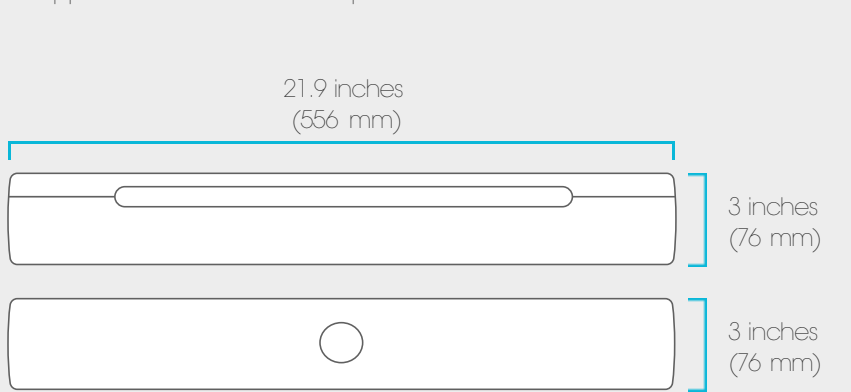

Managed and supported by Zoom.

Neat Board removes complexities and threats thanks to it being a secure, single-purpose hardware device, so less stressing about passwords and patches. Neat Board empowers you to upgrade everything from your Zoom account and is your single point of contact for support.

Video veterans.

Neat was founded in 2019 and while the company is new, the names and faces behind the company might be familiar. Most of us have spent our careers in the video industry with companies like Cisco, Acano, Pexip, TANDBERG, and Codian. This is a team that is passionate about video and giving you the best possible meeting room experience.
